The **Child and Family Guidance Center** is a LA County Department of Mental Health (DMH) contractor that provides Specialized Prevention and Early Intervention (PEI) services to children, transition age youth, and adults utilizing evidence based treatment interventions (EBPs) that are consistent with LAC/DMH Mental Health services Act (MHSA).

The Center also provides families with access to a comprehensive continuum of services depending on the needs of the family ranging from once a week, time limited mental services (PEI) to intensive in-home services that are delivered several times a week with 24-7 availability for crises.

The **Community Resource Services** is a division dedicated to improving the quality of life for special needs children and their families by helping them to locate, access and effectively use essential community health and social services.
