Psychological Testing Clerkship Agreement

16861 Parthenia Street
North Hills, CA 91343
(818) 830-0200

The training year begins the first week of September 2009 and continues until August 31, 2010. The clerkship is 15 hours weekly.

Orientation is required and will take place on two full days during the first and/or second week of September. I will also need to have an appointment with Human Resources during July or August.

I will be allotted two weeks (30 hours) of vacation time during the training year. The Center is closed between Christmas and New Year. If I plan to leave before August 31, 2009, I must use vacation days to account for the difference. I will be allotted one week (15 hours) of sick time during the year. The need for additional sick time will be discussed with the Director of Training.
